Mr. Greer

Jacksonville Fla,

Dear Mr. Greer:

I have just returned from the league meeting in Baltimore, where I learned with a great deal of regret that you were not going to operate this year. I can easily understand your decision, I was ready to quit also, but I decided to try another year after the members agreed to make a few changes that I think will help. They are not by any means all I would like to see, but I do think there should be a lot of money around this year, and too Newark seems to be a good town.

Due to the fact that you are not going to operate, I thought I would ask you what the chances are for me to train in Jacksonville. I plan to go to camp about the first of April. That should enable me to play Easter Sunday if I can get a good spot.

I would greatly appreciate your cooperation and assistance in advising me about Jacksonville for a training site.

Please answer as soon as possible, because it wont be any time now before we will have to be getting started.

I hope you are enjoying good health, and want to tell you again, I feel the baseball suffered a really big loss when you decided to quit. We havent many men of your make up connected with it. I am truly sorry to see you go.

Very Truly Yours
